Introduction: The Department of Hafezi is open to everyone, regardless of age or location, allowing students worldwide to memorize the Quran. With a thoughtfully designed, accessible course structure, students can join from any location and proceed at their own pace. The learning system is centered around modern tools like Google Classroom and WhatsApp, where students can receive assignments, submit recitations, and interact with instructors. Weekly Zoom sessions add live support, ensuring that students receive guidance and feedback on their memorization journey, making it easier and more structured.

1. GOALS

The main goal of the Department of Hafezi is to enable individuals to memorize the Quran in a way that fits into their lifestyle and schedule. Established in 2019, the Department of Hafezi at Knowledge of Quran & Smart Life-KQSL (part of Lilac Education) was founded to provide a unique, globally accessible platform for memorizing the Quran. without referring to the Quran and authentic Hadith. Even me (the founder, DH Sakib) will not do so.
